

1000,000
RELIEVED WOMEN
WINE OF CARDUI

has brought permanent relief to a million suffering women who were on their way to premature graves. Mrs. Mitchell was fast declining in health, when Wine of Cardui performed a "wonderful cure" in her case. She suffered with the agonies of falling of the womb, leucorrhoea and profuse menstruation. The weekly appearance of the menses for two months sapied her vitality until she was a physical wreck. Her nervous system gave way. Then came the trial of Wine of Cardui and the cure. Mrs. Mitchell's experience ought to commend Wine of Cardui to suffering women in words of burning eloquence.

WINE OF CARDUI
is within the reach of all. Women who try it are relieved. Ask your druggist for a \$1 bottle of Wine of Cardui, and do not take a substitute if tendered you.

Mrs. Willie Mitchell, South Gaston, N. C.: "Wine of Cardui and Theodor's Black-Draught have performed a miraculous cure in my case. I had been a great sufferer with falling of the womb and leucorrhoea, and my menses came every week for two months and were very painful. My husband induced me to try Wine of Cardui and Black-Draught, and now the leucorrhoea has disappeared, and I am restored to perfect health."

Consumption

is destruction of lung by a growing germ, precisely as mouldy cheese is destruction of cheese by a growing germ.

If you kill the germ, you stop the consumption. You can or can't, according to when you begin.

BLOOD POISON.

In some cases the external signs of Contagious Blood Poison are so slight that the victim is firmly within the grasp of the monster before the true nature of the disease is known. In other cases the blood is quickly filled with this poisonous virus and the swollen glands, mucus patches in the mouth, sores on scalp, ulcers on tongue, sore throat, eruptions on skin, copper colored spots, and falling hair and eyebrows leave no room for doubt, as these are all unmistakable signs of Contagious Blood Poison.

Doctors still prescribe mercury and potash as the only cure for Blood Poison. These poisonous minerals never yet made a complete and permanent cure of Contagious Blood Poison. They drive the disease back into the system, cover it up for a while, but it breaks out again in worse form. These powerful minerals produce mercurial rheumatism and the most offensive sores and ulcers, causing the joints to stiffen and finger nails to drop off. Mercury and potash make wrecks, not cures, and those who have been dosed with these drugs are never after free from aches and pain.

S. S. S. acts in an entirely different manner, being a purely vegetable remedy; it forces the poison out of the system, and therefore the only cure for Contagious Blood Poison. No matter in what stage or how hopeless the case may appear, even though pronounced incurable by the doctors, S. S. S. can be relied upon to make a rapid, permanent cure. S. S. S. is not a new, untried remedy; an experience of nearly fifty years has proven it a sure and unfailing cure for this disease. It is the only purely vegetable blood medicine known.

Mr. H. L. Myers, 100 Mulberry St., Newark, N. J., says: "I was afflicted with a terrible blood disease, which was in spots at first, but afterwards spreading all over my body. These soon broke out into sores, and it was easy to imagine that I had spent hundreds of dollars, which was really thrown away. I then tried various remedies, but none did me any good. I then bought a bottle of S. S. S. and used it as directed. I was soon entirely well, and my skin as clear as a baby's. I am now a healthy man, and I can say that S. S. S. is the only blood medicine that I have ever used. It is a life-time study of blood diseases. Don't let advice wanted. We make no charge what-so-ever for this. All correspondence is held in the strictest confidence."
